1. The Author hereby assigns to *Forest Engineering and Technologies Platform* (the Publisher) the copyright in the Article and any supplemental tables, illustrations or other information submitted therewith that are intended for publication as part of or as a supplement to the Article in all forms, throughout the world, in all languages, for the full term of copyright. This assignment includes the right to provide the Article in electronic and online forms and systems.

2. The Publisher will permit the Author to use the Article elsewhere after publication, including placement it on the author's personal web pages, in other works or for the purposes of the Author's teaching and research, provided acknowledgement is given to the Journal as the original source of publication.

3. The Author warrants that the Article is original work, has not been published previously and is not under consideration for publication elsewhere. The Article contains no libelous or unlawful statements and that it in no way infringes the rights of others. The Author guarantees that the Author is the owner of the Article and has full power to make this agreement.

4. The Editor of the Journal is empowered to make such editorial changes as may be necessary to make the Article suitable for publication. The Editor will be made to consult the Author in any case if substantive changes are required.

5. If the Article was prepared jointly by more than one author, the Author warrants that he/she has been authorized by all co-authors to sign this agreement on their behalf.
